फकीरी

एक विद्वान समा में प्रश्न पूछ गया, 'गृहस्थ व साधु में क्या फर्क है, मैं बाबा नहीं सच्चे साधु की बात कर रही हूँ, तो कई उत्तर मिले, पर सबसे तार्किक उत्तर मुझे लगा कि, जिसके पाँव स्थिर हो व मन निरंतर चले वह गृहस्थ, व जिनके पाँव चले पर मन स्थिर हो वह कदापि चंचल न हो वह साधु। बहुत पर्यटन आई बात, पर रोज नए नए साधु नजर आते हैं, जिनके चरणों में सत्ताधीश भी होते हैं उनको इस कसौटी पर कसो तो हम पापाल ही हो। गौरीपति पदेल तेली से चलते हो हम तो चल ही नहीं पाते, तो सतं ने जवाब भी शानदार दिया, बोले भैया मेरे पीठ पर कोई वजन नहीं है अमलीड हूँ आप लोग पर ऑफिस, आयकर, कोर्ट की तारीख, उत्पादन, डिलीवरी पता नहीं क्या क्या पीठ पर लादे हो। इसलिए कह सपर में सामान कम हो तो असमान होता। पर दुनिया दूरी में जिनके पास कम होता सामान उनका न दोष न रिश्ता कोई, होगा भी तो उनके जैसा कड़वा ही इसलिए इतने प्रबचन वाट्सअप विक्कवटिआलय, ऑडियो वीडियो संत वाणी, नीति कथाएं होती पर सब यह के बिसर जाती, और सब कुछ गोल गोल घूम ही रहा। सार को छोड़ जो भूरे के पीछे भाग रहा वह बाहर से प्रशिक्षित दिखता जो भूरे से खोखला ही होता ताश के महत की तरह। सतों सी फकीरी तब आती जब मूल को पकड़ते हैं।

महुआ पेड़ से टपकने लगे हैं फूल, ग्रामीणों के आर के बने जरिया

पीथमपुर। इन दिनों वनांचल के गांवों में पीला सोना, कहे जाने वाले महुआ फूल टपकना शुरू हो गया है। ग्रामीणों सुबह से ही महुआ फूल का संग्रहण करने खेतों और जंगलों का रूख कर रहे हैं। जंगल के चारों ओर महुआ फूल की मादक सुशब्द बिखर रही है, जिससे राहगीर भी आकर्षित हो रहे हैं।

राज्य का प्रमुख कानोज महुआ फूल तैयार हो चुका है। महुआ फूल सहेतो के लिए ग्रामीण पूरे परिवार के साथ सुबह से ही जंगल में खेतों की ओर चले महुआ अण्य का एक रस दोन रूप का के लिए हथ में लाते व महुआ फूल रखने के लिए टेकरी

साथ लेकर जाते हैं। सूर्य के चहुते ही पेड़ से फूल गिरना कम हो जाता है। गर्मी का मौसम आते ही महुआ के पेड़ों पर आई बूंचे फूलों से लद आर है। इस वष महुआ पेड़ों पर फूल लदे हैं। जिसके लिए खेतों में से लेकर बियाधान जंगल तक चाल-फूल बढ़ रही है। महुआ के फूलों की मरसल कर देने वाली सुखुब, ग्रामीण परिवार के जीवन में बहार लेकर आई है। वनांचल क्षेत्र में विवास करते वाले ग्रामीण परिवार के लिए महुआ आज भी जीवन का आधार है। वे इसे सुखकर पर में रख लेते हैं। इससे नकदी के रूप में भी प्रचलन करते हैं। बाजार में बड़ों मांग के चलते महुआ अण्य का एक सप्ताह भी बन गया है। हालांकि जंगल की अंधाधुन कटाई व

खेती की जमीनों का विस्तार करने से अब महुआ के पेड़ कम हो चके हैं।

किसानों को भी दिज्ञा रख

बीते वर्षों में बाजार में महुआ की मांग बढ़ने से इसके भाव भी तेजी से बढ़े हैं। इसलिए अब किसान भी महुआ को नन्द परसत के रूप में देखने लगे हैं। इस समय गांवों में किसान नन्द-महुआ की फसल के सागे ही महुआ के फूल बीचने में जुट गए हैं। बाजार में इसके अछे रप मिलते हैं। बीते साल महुआ तीन से साढ़े तीन हजार रुपये प्रति डिण्टल तक बिके थे। इस वर्ष भी महुआ की रद बीते वर्ष के अनुसार खुलने का कयास लगाए जा रहे हैं।

दोषियों को भी किया जा चुका है बहाल

सरकार भूली कारम बांध

इन्दौर (नप्र)। सरकार से लेकर शासन तक की कार्यशैली अजब गजब है। इसका उदाहरण कारम बांध है। इसके टूटने पर बेहद सक्रिय नजर आने वाली सरकार व शासन ने अब इस मामले को पूरी तरह से भुला दिया है। यही नहीं बांध का पुर्ननिर्माण भले ही शुरू नहीं हो सका है, लेकिन दोषी आफसर जरूर बहाल होकर नए सिर से पदस्थापना पा चुके हैं।

जिन इंजीनियरों को निर्वाचित किया था, उन्हें बारी-बारी से बहाल कर पदस्थापना दे दी गई है। निर्माता कंपनी दिल्ली की एनएनसी कंस्ट्रक्शन और उसकी सहयोगी म्वालिंर की सारथी कंस्ट्रक्शन को सिर्फ ब्लैकलिस्ट कर इतिश्री कर ली गई है। जल संसाधन विभाग ने बांध फूटने की जांच के

यह है कि अभी तक कारम बांध को बनाने की दिशा में कोई काम नहीं हुआ है। विभाग के इंजीनियर और आफसर अगले चुनाव तक इस मामले को टालना चाहते हैं। कारम बांध मामले के जांच दल में तत्कालीन आर सचिव जल संसाधन आशीष कुमार, राखीय जल विधान संस्थान क्षेत्रीय केंद्र

सिंचाई के लिए किया था। घंटिया निर्माण की वजह से समय पर सिंचाई नहीं हुई। बांध भी समय पर नहीं बना। किसानों और सरकार को हुई क्षति का हजना कोन देगा। हालांकि यह कंपनी से सफाया जाना चाहिए।

ब्लैक लिस्ट करने के बाद मांगा वर्क प्लान

कारम बांध प्रोजेक्ट 304 करोड़ का है। जिसमें से बांध की पाल एवं अन्य काम 97 करोड़ का है। बांध का निर्माण कर रही दिल्ली की एनएनएस कंपनी ने पूरा काम म्वालिंर की सारथी कंस्ट्रक्शन कंपनी को दे दिया था। विभाग ने कंपनी को काम से जवाब भुगतान भी किया। न डीके से मिट्टी की पाल बनाई और न गेट लगाए। बांध का काम देख रहे इंजीनियरों ने भी भरपूर लेकलाती की। पर पर जली गई मिट्टी कमीट नहीं हो गई। जिससे बांध में पानी आने पर मिट्टी दबाव सह नहीं पाई और रिसाव आ गया। तबहीं से बचने के लिए आनन-फघन में सुखकर कर तालाब खाली करना पड़ा था। तब लापरवाही सामने आने पर कंपनी को ब्लैक लिस्ट कर दिया। बाद में गुप्तदु गरीब के शेष काम करने का वक प्लान भी मांग लिया।

दो माह तक चलेगी अमरनाथ यात्रा : यात्रा के लिए 17 तारीख से शुरू होंगे पंजीयन

इन्दौर।

अमरनाथ श्राद्ध बोर्ड द्वारा यात्रा की तिथि घोषित करने के साथ ही इसके तैयारी प्रारंभ हो गई है। इस बार यात्रा की अवधि दो माह की होगी। भोपाल और अमरनाथ से तत्करीबन हर साल 15 हजार यात्री अमरनाथ यात्रा के लिए पहुंचते हैं।

2020-21 में कोरोना के कारण यात्रा नहीं हो पाई थी, जबकि पिछले साल 43 दिनों की यात्रा हुई थी। हर साल अमरनाथ यात्रा के लिए पंजीयन की प्रक्रिया ओलट की शुरुआत में ही प्रारंभ हो जाती थी, लेकिन इस बार श्राद्ध बोर्ड ने देरी से तिथि घोषित की है। शहर से

अमरनाथ यात्रा पर जाने वाले श्रद्धालु लंबे समय से तिथि घोषित करने की मांग कर रहे थे। अमरनाथ यात्रा पहली बार 62 दिनों की हो रही है। इससे पहले 2018 में 60 दिनों की यात्रा हुई थी। अमरनाथ यात्रा इस बार लंबी अवधि की होगी। यात्रा एक जुलाई

से प्रारंभ होकर 31 जुलाई तक चलेगी। इस तरह यात्रा कुल 62 दिनों की होगी। इसे लेकर यात्रियों में खुशी भी है। सबसे कम अवधि की यात्रा 2012 में 39 दिनों की हुई थी। इसी प्रकार 2018 में 60 दिन, वर्ष 2019 में 46 दिन की यात्रा हुई थी।

इंदौर-उज्जैन संघम के 15 जितने ने इंदौर, बिजली कंपनी के पास तत्करीबन 45 लाख उपभोक्ता हैं। इसमें सिंचाई के कनेक्शन वाले किसान उपभोक्ता शामिल नहीं हैं। अक्टूबर 2022 से उपभोक्ताओं को कागज के बिजली बिल देना पूरी तरह बंद कर दिया गए। इसके बाद मंडाल पर मैसेज के माध्यम से बिजली बिल दिए जा रहे थे, जिससे उपभोक्ताओं में असंतोष देखने लगा।

Kyiv: More than 100 Ukrainian prisoners of war have been released as part of a major Easter exchange with Russia, a top official said on Sunday, as Orthodox Ukrainians marked the holiday for a second time since Moscow unleashed war. While celebrations were subdued

because of security risks, with a curfew barring the faithful from customary all-night services, Ukrainian authorities and ordinary people shared messages of hope, linking the story of Jesus' resurrection to their longing for peace and a Ukrainian victory.

GLOBAL BULLETIN

Six cops killed in Pak road accident

Islamabad: As many as six policemen were killed after a car and a truck collided with each other on the Quetta-Karachi national highway, reported Dawn. The cops were on their way to Quetta. A truck coming from the opposite side hit the car, killing all six men on the spot and some persons sustained injuries. "The cops were coming home for Eid after attending a course at training college," said SSP Khoso. He said efforts were underway to retrieve bodies from the car wreckage. Meanwhile, in another incident, two Pakistani police officers were killed and four injured after people, whom the officials called "dacoits", opened fire in Punjab province.

4 killed in Alabama shooting

Dadeville (US): Four people have been killed and multiple people injured during a shooting at a birthday party around 10:30 pm on Saturday in Dadeville, the authorities said. There was no initial confirmation about what led to the shooting. It was not immediately known if a suspect was in custody. "There were four lives tragically lost in this incident and there's been a multitude of injuries," said an official at a news conference Sunday morning.

Satellite delays flights in Taipei

Taipei: Flights out of northern Taiwan were delayed on Sunday after China launched a rocket carrying a satellite that dropped debris into waters north of the capital Taipei. While the satellite launch had no obvious military purpose, it comes after China held large-scale military drills in response to Taiwanese President Tsai Ing-wen's transit visit to the United States earlier this month, during which she met U.S. House Speaker Kevin McCarthy in California. Taiwan's Defence Ministry issued a statement on public media, saying it had monitored the 9:36 am launch from the Jiuquan base in northwestern China.

6 soldiers slain in Indonesia

Jayapura: Separatist gunmen opened fire on a military post in Indonesia's restive Papua province, killing at least six soldiers and leaving dozens of others missing, the army and the rebels said on Sunday. Attackers from the West Papua Liberation Army, the armed wing of the Free Papua Movement, carried out the assault against soldiers in the district of Nduga, a stronghold of separatists who have battled Indonesian rule since the early 1960s. Papua military spokesperson Col Herman Taryaman said the soldiers at Mugi army post were part of a group deployed to search for Phillip Mark Mehrtens, a New Zealand pilot for Indonesian aviation company who was abducted by rebels in February.

Meteor explodes in Israel in daylight

Jerusalem: The Israeli Astronomical Association has reported a bolide explosion seen in daylight in the country's sky. The bolide, a particularly bright meteor, was seen flashing across the sky at 17:16 local time (14:16 GMT), according to reports, photos, and videos received at the IAA released. Igal Pat-El, a member of the International Astronomical Union, told reporters that according to the observed colours, it was a meteorite made of stone, probably tens of centimetre long at most, which completely disintegrated in the air and did not reach the ground. "Meteors are observed every night, but seeing one from an inhabited place, in daylight, and over Israel is very rare," he added.

Protest in Czech over inflation

Prague: Thousands of people rallied again in the Czech capital on Sunday to protest high inflation and demand the government's resignation. It was the second such rally at Prague's Wenceslas Square after one on March 11 that was organised by a new political party known as PRO under an "against the poverty" banner. The demonstrators, speakers at the protest and the head of the populist group, Jindrich Rajchl, blamed the European Union and the Czech government for soaring inflation and all repeatedly called on the current five-party coalition to resign. "We want the government's resignation," Rajchl told the crowd. "Resign, resign," the protesters chanted.

Rivals in Sudan battle for 2nd day

56 killed as fighting involving truck-mounted machine guns and war planes rages in Khartoum

AP / Khartoum

The Sudanese military and a powerful paramilitary group battled for control of the chaos-stricken nation for a second day on Sunday, signalling they were unwilling to end hostilities despite mounting diplomatic pressure to cease fire.

Heavy fighting involving armoured vehicles, truck-mounted machine guns and war planes raged on Sunday in the capital of Khartoum, the adjoining city of Omdurman and in flashpoints across the country.

The rival forces are believed to have tens of thousands of fighters each in the capital alone.

At least 56 civilians were reported killed, including three employees of the UN food agency. The Sudan Doctors' Syndicate said it believed there were dozens of additional deaths among the rival forces. It said close to 600 people were wounded, including civilians and fighters.

The clashes are part of a power struggle between Gen Abdel-Fattah Burhan, the

commander of the armed forces, and Gen Mohammed Hamdan Dagalo, the head of the Rapid Support Forces group. The two generals are former allies who jointly orchestrated an October 2021 military coup that derailed Sudan's short-lived transition to democracy.

In recent months, internationally backed negotiations revived hopes for an orderly

transition to democracy. However, growing tensions between Burhan and Dagalo eventually delayed a deal with political parties.

In Khartoum and Omdurman, fighting was reported around military headquarters, Khartoum International Airport and state television headquarters.

A senior military official said RSF fighters clashed

with troops at military headquarters early on Sunday and that a fire broke out at a facility for ground troops.

"The battles have not stopped," said rights advocate Tahani Abass who lives near military headquarters. "They are shooting against each other in streets. It's an all-out war in residential areas." Abass said her family spent the night huddling on the ground floor of their home. "No one was able to sleep and the kids were crying and screaming with every explosion," she said.

The military and the RSF both claimed to be in control of strategic locations in Khartoum and elsewhere in the county. Their claims couldn't be independently verified.

Both sides signalled late on Saturday that they were unwilling to negotiate.

Burhan's military called for dismantling the RSF, which it labelled a "rebellious militia." Dagalo told the satellite news network Al Arabiya that he ruled out negotiation and called on Burhan to surrender.

Pak minister dies in car mishap, 5 booked

IANS / Islamabad

Pakistan Religious Affairs Minister Mufti Abdul Shakoor was killed in a road accident in Islamabad's Red Zone area, and five people have been booked in this connection, media reports said on Sunday.

The accident occurred on Saturday when Shakoor was proceeding towards Secretariat Chowk on Constitution Avenue and his car was hit by a passenger vehicle, Dawn quoted police as saying. The police said all five occupants of the other vehicle were arrested and shifted to police station for investigation.

The minister was rushed to a private hospital where he was declared brought dead.

Shakoor was a Jamiat Ulema-e-Islam Fazl (JUI-F) leader.

Pakistan President Arif Alvi and Prime Minister Shehbaz Sharif expressed their condolences and paid tribute to the departed soul.

Sharif tweeted, "I am deeply saddened to hear of the death of my friend, colleague and important member of the cabinet, Mufti Abdul Shakoor. He was an ideological political activist and a good human being. May Allah grant forgiveness to the deceased and patience to the bereaved."

An FIR was lodged in which complainant Haji Qudratullah said the accident occurred due to other driver's inattentiveness and carelessness. Qudratullah said the JUI-F leader was scheduled to visit his place for Iftar. However, his cook got a call about minister's death.

10 returning from funeral die in Kenya bus crash

AP / Nairobi

At least 10 people died when the bus they were travelling in left the road and rolled several times in southern Kenya, the police said on Sunday.

The passengers were on their way back to the coastal city of Mombasa after attending a funeral in the Mwatate area, Taita Taveta County, on Saturday evening.

Mwatate Police Chief Morris Okul told The Associated Press that the driver of the bus survived and was hospitalized in critical condition.

"The survivors told us they were 34 people on board excluding children," Okul said. Children in Kenya often travel sitting on parents' laps, even up to the age of 15.

The accident happened in

Okul said the bus brakes failed, but the Inspector General of Police, Japhet Koome, said the driver may have been coasting in neutral when he lost control.

G7 vows to shift to renewable energy

AP / Sapporo

Energy and environment ministers of the Group of Seven wealthy nations vowed on Sunday to work to hasten the shift toward cleaner, renewable energy, but set no timetable for phasing out coal-fired power plants as they wrapped up two days of talks in the northern Japanese city of Sapporo.

The officials issued a 36-page communique laying out their commitments ahead of a G-7 summit in Hiroshima in May.

Japan won endorsements from fellow G-7 countries for its own national strategy emphasising so-called clean coal, hydrogen and nuclear energy to help ensure its energy security.

"Recognising the current global energy crisis and economic disruptions, we reaffirm our commitment to accelerating the clean energy transition to net-zero greenhouse gas (GHG) emissions by 2050 at the latest," the communique says.

The leaders reiterated the need to urgently reduce carbon emissions and achieve a "predominantly decarbonised power sector" by 2035.

"We call on and will work with other countries to end new unabated coal-fired power generation - plants that do not employ mechanisms to capture emissions and prevent them from escaping into the atmosphere."

The stipulation that countries rely on "predominantly" clean energy by 2035 leaves room for continuation of fossil-fuel fired power.

But the ministers agreed to prioritise steps toward phasing out "unabated" coal power generation - plants that do not employ mechanisms to capture emissions and prevent them from escaping into the atmosphere.

US Special Presidential Envoy for Climate John Kerry said the meetings were "really constructive."

"I think the unity for the goal that was expressed of phasing out unabated fossil fuels is a very important statement," Kerry said.

The call to action comes as China and other developing

countries step up demands for more help in phasing out fossil fuels and stabilising energy prices and supplies amid disruptions from Russia's war on Ukraine.

The issue of setting a timeline for phasing out coal-fired power plants is a longstanding sticking point. Japan relies on coal for nearly one-third of its power generation and is also promoting the use of so-called clean coal, using technology to capture carbon emissions, to produce hydrogen - which produces only water when used as fuel.

South Korea repels North's patrol boat after sea intrusion

AP / Seoul

South Korea's military says it fired warning shots to repel a North Korean patrol vessel that temporarily crossed the countries' disputed western sea boundary while chasing a Chinese fishing boat.

The North Korean patrol boat crossed the so-called Northern Limit Line at around 11 am on Saturday while pursuing the Chinese boat in waters near South Korea's

Baekryeong island but immediately retreated after a South Korean naval vessel fired warning shots, South Korea's Joint Chiefs of Staff said on Sunday.

While there were no exchanges of fire between the North and South Korean vessels, the South Korean high-speed vessel collided with the Chinese boat as it responded to the intrusion amid poor visibility, causing bruises and other minor injuries to some of the South Korean sailors.
